

ENTRY

All players and staff, from both teams, will be required to have a temperature check upon entry. Each individuals temperature must be below 37.8C. If a players temperature is above or equal to, 37.8C, then they will not be allowed to enter the ground. Each person is allowed two attempted readings, so should the first reading be at or above 37.8C then the person will have a second chance, but should the second reading not meet the criteria then that person, without exception, will not be permitted entry to participate in the game. If a player from the away side fails to meet the temperature check requirements on the first occasion, a second reading will not be taken until they are accompanied by their clubs Covid-19 officer or named deputy attending the match.

All players & staff are encouraged to wear a face covering when entering the ground.

SELF ASSESSMENT

Players and staff should not attend the ground unless they have completed their clubs Covid-19 self assessment.

CHANGING ROOMS

The maximum number of people entering the home changing room at anyone time is TWELVE (This includes managers and players, prematch / post match and at half time).

The maximum number of people entering the away changing room at anyone time is NINE (This includes managers and players, prematch / post match and at half time). It is for this reason that we encourage players to come already changed in match kit and to leave as they arrived in the same kit.

Players and staff must take every opportunity to reduce the time spent in the changing room.

PREMATCH ENTRY ONTO THE PITCH

In line with FA guidelines players from opposite teams must not enter the pitch at the same time. To avoid such a situation where this may happen the referee will sound a first bell around 7 minutes from kick off. This is a signal for the away team to enter the pitch.

After all of the away team players have entered the pitch, the referee will sound a second bell this is for the home team to enter the pitch.

RESPECT & POST MATCH HANDSHAKE

There will be no pre-match respect handshake, in line with the current FA Guidelines.

Post match handshakes are strongly discouraged.

No pennants or the like should be swapped by the two team captains at the toss.

SHOWERS

In line with government advice the showers will not be in operation unless there is an urgent need for safeguarding or health. On such occasion only three people will be allowed to enter the shower at any one time.

HOSPITALITY & REFRESHMENTS

To reduce the risk of the spread of Covid-19, we regret that no post match hospitality in the way of food will be provided. Likewise, the club will not be providing communal jugs of refreshments at half time in order to limit the amount of contact points and thus reduce the risk of the disease spreading. Players and coaches are encouraged to bring their own drinks in their own container, which they take away with them at the end of the fixture.

DUG OUTS

In accordance with the competition rules, two coaches can stand, we ask that they do so in a social distanced way from each other. Five other people can sit in the dugouts (three in the larger section, two in the smaller section), for all games other than the FA Cup one additional chair will be provided and the maximum number permitted to occupy the dugout and technical area will be EIGHT. In the FA cup because you are allowed seven substitutes, so this is extended to TEN, so two extra chairs will be provided. If a team has more coaches or injured players, they must take up socially distanced places amongst the spectators.

Please note the additional chairs will not be covered, so it might be wise to consider umbrellas.

PRE-MATCH WARM UPS

Pre-match warm ups can only take place 45 minutes before the scheduled kick off time and should be contained in the area highlighted to the teams Covid-19 officer or their attending deputy. The locations will be designed to stop both teams gathering close to each other and will provide the match officials somewhere they can warm up together.

Players are asked not to use the concrete hoarding to stretch up against.

SUBSTITUTE WARM UPS

The substitutes should warm up, a maximum three at a time, on the grassland bank behind the dugouts, each team should occupy the half behind their respective dugout. Footballs should not be used. Coaches should not join players in the warm up locations.

This area is segregated off from spectators.

COMPLEMENTARY TICKETS

Due to the restrictions we are unable to offer any complimentary tickets.

GENERAL ETIQUETTE / OTHER

Team Huddles should be avoided and goal celebrations should not include a large coming together of players.

The club reserve the right to ask anyone operating contrary to the rules laid out in this document, to leave the ground immediately. A failure to adhere to a reasonable request from the Camberley Town Covid-19 officer or a designated deputy may result in the fixture being abandoned, postponed or delayed in such circumstances the club will file a report to the FA and seek recovery of any losses from the person/club at fault.

Players, club staff and spectators enter at their own risk, Covid-19 is a disease that has and can kill the people infected, it is easily passed from person to person. By entering the ground they enter

knowing this and are absolving Camberley Town Football Club Ltd of any blame or responsibility should they catch the disease.

Anyone who knowingly enters the premises whilst they have Covid-19 or they suspect that they or a member of their household has Covid-19 will be liable to pay damages for the cause and effect that their actions have. Camberley Town FC Ltd may take legal action against anyone who, via a deliberate act or omission, puts at risk the health of others (this includes failing to quarantine or self isolate when required to do so).

EVERYONE IS RESPONSIBLE FOR THEIR OWN SAFETY AND THE SAFETY OF OTHERS.
